

# Register For IBM Cloud

Project Name	University Admit Eligibility Predictor
Team ID	PNT2022TMID12117
Data	05 November 2022

The screenshot shows the IBM Cloud Catalog interface. At the top, there's a navigation bar with the IBM Cloud logo and a search bar. Below the navigation bar, there's a large banner area with the word "Catalog" and a search input field. To the left, there's a "Category" sidebar with a list of product categories: Recommended products (6), Compute (29), Containers (9), Networking (30), Storage (20), AI / Machine Learning (17), Analytics (10), Blockchain (1), and Databases (28). The main content area displays a grid of product cards. The first card is "Analytics Engine" by IBM, which allows submitting Apache Spark applications. The second card is "AnonTech ViziVault Platform" by Anon Technology, Inc., which manages personal information as a service. The third card is "API Connect" by IBM, which is an enterprise-grade platform for creating, securing, managing, sharing, monetizing, and analyzing custom APIs. Each card includes a brief description and a list of features or capabilities.

The screenshot shows the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo and a search bar. Below the navigation bar, there's a large banner area with the word "Dashboard". The main content area is divided into several sections. The first section is "For you", which contains a grid of tiles for getting started with various services: Build, Monitor your resources, Use Text to Speech, Explore IBM Analytics Engine, Get started with machine learning + Watson Studio, and Create and deploy an application. Each tile includes a brief description and a "Getting started" button. Below the "For you" section, there's a "News" section with a list of recent announcements, including "Announcing IBM Cloud Pak for Network Automation Version 2.4", "No Prerequisites for IBM Cloud Certifications", "IBM Tech Now: October 24, 2022", and "Event Streams Adds Value to Kafka". To the right of the "News" section, there are four more sections: "Recent support cases", "Planned maintenance", "IBM Cloud status", and "View all" links for each. The page is viewed on a desktop browser with multiple tabs open.

Hurray! Your Team Has Success! x
